4 Arriving in Menaggio by Ferry

Leave the terminal and when you are on the main road (opposite you will see a petrol station) turn right (Pic. 1) and follow the road until you reach the traffic lights, then take the road downhill on your right (Pic. 2). You will pass a bank (San Paolo) on the left while you are walking downhill.

After few metres you will see another fork in the road this time take the left hand fork (a narrow road – Pic 3) and you will pass a church keep walking for approx. 10 minutes and you will reach a tunnel.

Just before the tunnel there is a walkway to the right (Pic. 4) which you should take (you don't need to walk through the tunnel). Keep going and you will re-join the same road. After 800 metres you will see the Hotel Garden on your right (Pic 5), immediately after this hotel still on the right there is entrance to the marina (Navalia Boat Services – Pic 6). Go up the ramp which will bring you to the car park. Then take the stairs at the opposite end of the car park down into the marina (Pic 7).
